

RG104 Entry 271

Volume 1

July 1, 1875 – June 30, 1879
Daily Coinage Deliveries
by Month

Each month spans two facing pages – even numbered pages (left) are for gold coins, and odd numbered pages (right) are for silver coins.

Philadelphia, San Francisco and Carson City Mints cover the full date range; re-opened New Orleans Mint from February through June 1879.

The month of October 1875 is missing for San Francisco, but there is no evidence that pages were removed. Presumably the data were omitted when the volume was prepared.
